Capturing “added value” within  
the agri-food supply chain

## About AIC

The Agricultural Industries Confederation (AIC) is the leading trade body for the agri-supply industry.

AIC represents over 230 Member companies across several sectors, including animal feed, crop protection, fertiliser, grain and oilseeds, and seed.

AIC Member companies supply over £17bn of inputs to UK farms – the vital foundation to a £120bn plus food and drink sector industry.

## This years event:

AIC's Dinner will commence at 19:30 on the 12 November. As well as a sumptuous meal, this black tie event will feature a key after-dinner speaker.

AIC's Conference will commence at 09:00 on the 13 November, with a full speaker agenda of thought leaders from political, business and academia.
